Subject: Intended Use Document for 2016 319 Grant Year

Alan,

Good afternoon

Hope you are doing well

In preparation for our request for funding the 319 NPS implementation program for the year 2016, please accept the enclosed documentation with detailed information on the proposed intend use of 319 funds.

As you are aware of, the work plans included in the document represent many hours of planning and preparation from our stakeholders and regional staff to continue to leverage the very important 319 funding.

As always, if you have comments please let me know

For your information, we are preparing our 319 request and 2015 NPS Annual Report to be submitted to you. This is a very busy time of the year, I am sure for you as well.

We thank you for your continued support.

Ivan
